STUDENT WORK LIST - MARCH 13, 2011

The following is the work schedule for the upcoming Youth League Breakfast. Once again, if we have omitted anyone & you would like to help, please call. If you are unable to work your shift, please switch with someone.

We will be setting up for the breakfast on Saturday, March 12th at 8:30am. If you are available, please come and help set up at this time.

Income from the breakfast will benefit the softball, baseball, soccer, & basketball leagues. With your help, both by letting people know about the breakfast & working your shift, it should be a huge success!
